

SAMARITAN CENTER

The Path to WellnessSM

SAMARITAN CENTER

The Path to Wellness SM

Our mission is to improve the mental, physical and spiritual health of children and families in Central Texas

Our vision is to be the **Integrative Wellness Center of choice** providing and promoting excellence in mental, spiritual and physical healthcare that is accessible and affordable for all.

The Samaritan Center offers Integrative Medicine

Acupuncture | Chinese Herbs | Yoga

Tai Chi | Neurofeedback | Biofeedback

BIOFEEDBACK & NEUROFEEDBACK

Biofeedback & Neurofeedback help clients recognize what stress is like in their bodies. Patrice teaches clients how to relax and reduce stress, tension and anxiety.

We Serve Military Members, Veterans & Their Families

Samaritan Center Helps Save Lives

This organization has provided invaluable services to my family and me before, during, and after a deployment. We are most grateful for the Samaritan Center's Hope for Heroes program, which provides access to health care for the whole body, mind, and soul.

-Client Testimonial

The Samaritan Center
offers counseling
services that are
accessible and
affordable for all.

Three dark teal brush strokes are positioned below the text, starting from the left and extending towards the right, with the bottom stroke being the longest and most prominent.

Confidential counseling is offered for couples, families and children

In the last 10 years, the Samaritan Center has provided over \$3 million in charity care for individuals and families.
